**RE: MUR #4830 and MUR #4845 - RESPONSE of the UDALL FOR US ALL  
COMMITTEE (FEC ID Number C00329896)**

Dear Commissioners:

The Udall for Us All Committee ("Udall Committee"), by its treasurer, Tim Garcia, appreciates the opportunity to respond to allegations made by the Republican Party of New Mexico in MUR #4830 and #4845 and to demonstrate that no action should be taken by the Commission in response to the complaints. Jill Z. Cooper and Tom Udall join in this response.

This letter and the attached materials detail that no violation has occurred and that any inaccuracies in the July 15 and October 15 Quarterly Reports have been corrected. We acknowledge that there were clerical and computer errors in those reports. Those errors have been cured by the amendments previously filed and by the amendments enclosed herein.

Part I, below, discusses the factual background of this matter. Part II discusses the complaint that was filed by the Republican Party of New Mexico. Part III discusses and refutes the specific charges made by the Republican Party of New Mexico. In particular, Part III (A) addresses the allegations made regarding designation of the Udall Committee's primary debt on the July 15 Quarterly Report. As detailed in our October 23, 1998 letter to Ms. Robin Kelly ("October 23 letter"), due to a computer error, the \$30,000 primary loan, while reported in two other places, failed to print out on the summary page. An amended summary page was filed with the October 23 letter.

Federal Election Commission  
November 25, 1998  
page 2

Part III (B) addresses the allegations regarding the identification of primary and general election contributions on the October 15 Quarterly Report. As detailed in the October 23 letter, due to a clerical and computer error, the designation of primary and general contributions on Schedule A of the October 15 Quarterly Report were reversed. This error was cured by an amendment to Schedule A filed with the October 23 letter.

Part III (C) addresses the allegation that some of the primary contributions received after June 2, 1998 primary exceeded the FECA contribution limits. This allegation is incorrect and has been clarified by the amendments filed with the October 23 letter correctly identifying the primary debt. All of the post-primary contributions received for primary debt reduction were lawful.

Part III(D) addresses the allegation that the contribution from South Bay Voter Registration was unlawful. That contribution has been returned to the contributor. Part III (E) addresses the loans made by Tom Udall to the Udall Committee. The source of the loans was Tom Udall's half of joint funds belonging to him and his wife, Jill Z. Cooper. Amendments to the July 15 and October 15 Quarterly Reports filed this date clarify that the loans were from Tom Udall alone.

#### I. Relevant Factual Background.

Tom Udall, the Attorney General of New Mexico, was a candidate for the United States House of Representatives in the 1998 election cycle. His campaign committee received contributions for both the primary election held on June 2, 1998 and the general election held November 3, 1998.

The Republican Party of New Mexico filed MUR #4830 with the Federal Election Commission on October 22, 1998 making a variety of allegations against the Udall Committee. Many of these were vague and over broad but they essentially concerned four areas: (1) the primary debt of the Udall Committee; (2) the designation of contributions for the "primary" and "general" elections; (3) the lawfulness of the post-June 2 "primary" contributions; and (4) the loans made by Tom Udall from personal funds to the Udall Committee.

In what we believe was an effort to embarrass contributors to the Udall campaign, the complaint named a number of individuals and political action committees as well.

On October 23, 1998, the Udall Committee responded to the complaint in a letter to Ms. Robin Kelly of the FEC. At that time, the Udall Committee filed two amendments correcting computer and clerical errors on the July 15 Quarterly Report and the October

Federal Election Commission  
November 25, 1998  
page 3

15 Quarterly Report.

We believe that the amended report cured any defects that may have been the basis for naming individual contributors.

The Republican Party of New Mexico filed a second complaint, MUR #4845, on October 28, 1998. In MUR #4845, the Republican Party of New Mexico alleged that (1) The Udall Committee accepted a contribution in excess of the contribution limit from South Bay Voter Registration; and (2) The Udall Committee received primary debt reduction contributions in excess of its primary debt.

II. The Allegations.

As best as we can discern from the complaints in these matters, the Republican Party of New Mexico has made the following allegations:

- The Udall Committee did not properly report its primary debt on its July 15 Quarterly Report in violation of 11 C.F.R. §104.3(d).
- The Udall Committee unlawfully accepted primary debt contributions after the June 2 Primary in violation of 11 C.F.R. §110.1(b)(3)(I).
- The Udall Committee accepted contributions in excess of the contribution limits in violation of 2 U.S.C. §441a(a).
- The Udall Committee received an unlawful loan from Jill Cooper in violation of 2 U.S.C. §441a(a) or, in the alternative, it received a contribution from Jill Cooper that exceeded the contribution limits under FECA in violation of 2 U.S.C. §431(8)(a)(1).
- The Udall Committee accepted an excessive contribution from an unregistered organization, South Bay Voter Registration, in violation of 2 U.S.C. §441a(a)(1)(A).

III. Argument

A. A Computer Glitch Resulted in a Failure to Print \$30,000 in Primary Debt on the Summary Sheet of the July 15 Quarterly Report.

The Udall Committee acknowledges that \$30,000 was mistakenly not listed on the first page of the July 15 Report. This misprint resulted from a failure of the computer program used to prepare the report. The \$30,000 loan was properly listed on Page 2, the Detailed Summary, and on the Schedule C page of the July 15 Report;

Federal Election Commission  
November 25, 1998  
page 4

however, it did not show up on the summary page.

As soon as this omission was discovered, corrective measures were taken. The Udall Committee filed an amended Summary Page for the July 15 Quarterly Report and a corresponding copy of Schedule C for that period in the October 23 letter to Ms. Robin Kelly. A copy of the October 23 letter enclosing the amended Summary Pages and Schedule C for the July 15 Quarterly Report and the amended Schedule A for the October 15 Quarterly Report is attached to this response as **Exhibit A**.

B. A Clerical Error Resulted in the Misdesignation of Primary and General Election Contributions.

As we discussed in our October 23, 1998 letter to Ms. Kelly, the Udall Committee recognized that a clerical mistake was made during the data entry of Schedule A of the October 15 Quarterly Report. This clerical error resulted in the reversal of primary and general election designations for primary and general election contributions made during the third quarter of 1998. Thus, on the October 15 Report, all of the primary contributions were marked as general election contributions and all general election contributions were designated as primary election contributions.

This error was corrected with the submission of a corrected Schedule A as part of the October 23 letter to Ms. Kelly.

C. The Post-June 2 Primary Contributions Were Lawful.

The contributions made for debt retirement after the June 2 primary were in fact lawful and not in violation of §110.1(b)(3)(I) (which prohibits debt reduction contributions when no debt exists) because debts and obligations incurred for the primary election exceeded contributions. In addition to the \$30,000 loan to the Udall Committee from Tom Udall on May 22, 1998, referenced in Part III (A) above, we have identified at least \$37,928.25 in primary election expenses which were not covered by primary election contributions received by June 2. Thus, the Udall Committee had a debt of \$67,928.25 as of the June 2, 1998, the date of the primary election. Subtracting subsequent refunds from primary vendors of \$14,025 and \$2,946.63, the total primary debt was \$51,010.62. By the end of the June 30, 1998 reporting period, the Udall Committee had received only \$28,050.00 in primary debt contributions.

The expenses not covered by primary contributions received by June 2, 1998 are marked (as instructed by Robin Kelly) as "Primary Debt" on the amended Schedule B for the July 15 Quarterly Report. A copy of the amended Schedule B for the July 15 Quarterly Report is attached to this response as **Exhibit B**. Of this amount, all but

Federal Election Commission  
November 25, 1998  
page 5

\$4,761.25 was paid by June 30, 1998, the end of the second quarter. The \$4,761.25 debt was listed on the amended Schedule D (Debts and Obligations) for the July 15 Quarterly Report which was filed on October 30, 1998. A copy of Schedule D for the July 15 Quarterly Report is attached to this response as **Exhibit C**. The total primary debt as of June 30, 1998, was \$34,761.25 as shown on the amended Report of Receipts and Disbursements filed on October 30, 1998. A copy of the amended Report of Receipts and Disbursements is attached to this response as **Exhibit D**.

Finally, general contributions misdesignated as primary contributions in the original October 15 Quarterly Report and were corrected by the amendment filed to the October 15 Report (see Part III(B)). Therefore, §110.1(b)(3)(I) was not violated because the post-primary debt reduction contributions did not exceed the primary debt.

D. The Contribution from South Bay Registration Exceeded the Contribution Limit and Has Been Returned.

The Udall Committee acknowledges that it mistakenly accepted a \$5,000 contribution from South Bay Voter Registration, an organization which is neither a multi candidate or party committee. Federal law prohibits contributions exceeding \$1,000 per election from an organization that is not a multi candidate or party committee. The Udall Committee took corrective action by returning the contribution as soon as it discovered that the contribution exceeded the applicable limit.

E. The Loan From Tom Udall to the Udall for Us All Committee Was Lawful.

The Udall Committee reported a \$30,000 loan from Tom Udall and Jill Cooper to the Udall Committee on its July 15 Quarterly Report and a \$50,000 loan from Tom Udall and Jill Cooper on its October 15 Quarterly Report.

These loans were mistakenly reported initially as being made by Tom Udall and Jill Cooper when, in fact, the loans were made from Tom Udall's half of funds jointly controlled by Tom Udall and Jill Cooper. Amendments to Schedule C of the July 15 Quarterly Report and Schedule C of the October 15 Quarterly Report clarifying that the loans were in fact made by Tom Udall, and not by Tom Udall and Jill Z. Cooper together were filed November 24, 1998. Copies of the amended Schedule C for the July 15 Quarterly Report and amended Schedule C for the October 15 Quarterly Report are attached to this response as **Exhibits E and F**.

11 C.F.R. §110.10(a) allows candidates to make unlimited expenditures from personal funds. 11 C.F.R. §110.10(b)(3) allows a candidate to use assets or personal funds jointly controlled with his/her spouse. In cases where there is no specific share

Federal Election Commission  
November 25, 1998  
page 6

indicated by the instrument of conveyance or ownership, the value of one half of the property used is considered as personal funds of the candidate. 11 C.F.R. §110.10(b)(3). In this case, the loans were made from a Merrill Lynch account jointly owned by Tom Udall and Jill Cooper. At the time of the \$30,000 loan, the account was valued at                   At the time of the \$50,000 loan, the account was valued at

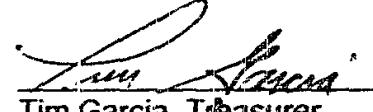

Thus, there were sufficient assets for Tom to loan to the Udall Committee from the joint funds. Copies of the Merrill Lynch account statements for the months in which the loans were made are attached to this response as Exhibits G and H.

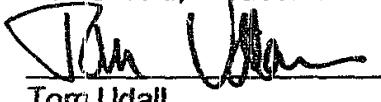

#### IV. Conclusion

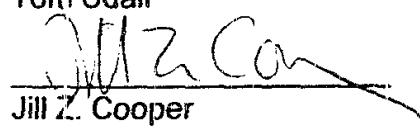

The Udall Committee acknowledges that there were some inaccuracies in the preparation of the July 15 and October 15 Quarterly Reports; however all of the problems have been corrected in amendments and none of the mistakes were willful.

The Udall Committee apologizes for any inconvenience that it has caused the Commission. In the course of raising and spending the large amount of funds necessary to conduct a campaign, we, of necessity, relied on computer software and clerical assistance that, in large part, led to the inaccuracies. Therefore, for all of the previously discussed reasons, we believe that any violations that occurred have been corrected and the Commission should dismiss MUR #4830 and MUR #4845.

Sincerely,

  
Tim Garcia, Treasurer

  
Tom Udall

Washington, DC 20463

Dear Ms. Kelly:

I am writing to you today after having been informed of two errors in previously filed FEC reports. As soon as these errors were confirmed yesterday, the Udall for Us All campaign took immediate steps to correct them.

Attached you will find the corrected schedules and/or reports. On each of the following reports, one error was found:

- 1) **July 15 Quarterly Report:** Line 10 of the General Summary was misprinted; it failed to show the \$30,000 loan to the campaign made by Tom Udall. This information was detailed on Page 2, the Detailed Summary, and on the Schedule C page, but it failed to print on the first page of the report. We have found that the mistake was caused by a error in the computer software and the software company has agreed that this error is common when using their product.

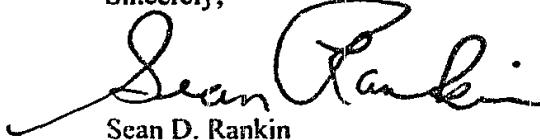

Attached please find the corrected Summary Pages for the July 15 Quarterly Report and a corresponding copy of the Schedule C for the period.

- 2) **October 15 Quarterly Report:** In the Schedule A of the October 15 Quarterly Report, a clerical error was made when sorting contributions for the time period of the report. Mistakenly, contributions marked as "Primary" and "General" were inverted. Therefore, contributions made by donors for the general election were marked as "primary" and contributions made against the primary debt were marked as "general".

Attached please find the corrected Schedule A for the October 15 Quarterly Report.

Should you have any questions, please feel free to contact Amanda Cooper, Campaign Manager, or Jill Cooper, Asst. Treasurer. We apologize for these unintentional errors.

Sincerely,

Sean D. Rankin  
Finance Director
